

Protection from the inside out

SEAL-ONCE®

Superior protection for wood & concrete.

SEAL-ONCE® Multi-Surface Concentrate deeply penetrates the surface to protect, preserve and enhance wood, concrete and masonry.

Proprietary nano-particles create a long-lasting, flexible, breathable barrier, protecting from the inside out.

SEAL-ONCE Multi-Surface Concentrate is also safe for the environment.

- Ultra-low VOC
- Non-toxic; will not harm pets, plants or people
- No odor
- Water based formula
- Non-ozone depleting
- Soap & water cleanup
- Safe & easy preparation & application processes
